

LEADERSHIP MORGAN HILL Tuition Assistance

2025 Course Tuition

Course Tuition is \$1500. Tuition is less than half the actual cost to put on the program. The rest of LMH program expenses are covered by fundraising and financial support from alumni and the local community. This community support allows a broader range of qualified students to participate.

Because we understand that there are candidates with more leadership potential than financial resources, the organization can assist you with:

1. Contacting your employer for a partial or full tuition scholarship;
2. Setting up a short term payment plan (typically 2-3 months);
3. Applying for tuition assistance from Leadership Morgan Hill.

LMH has limited funds to offer tuition assistance to candidates who are accepted in the program, and can demonstrate financial hardship that will prevent participation in the program. Award amounts are based on the number of requests received and the amount of funds available in a given year.

Please fill out the **Tuition Assistance Application** form below. Please consider honestly how much money you actually require to participate and weigh it against your financial situation. By requesting only what you need from this limited pool of funds, you help ensure that there is sufficient money to distribute to as many qualified candidates as possible.

Funds are awarded at the discretion of the Leadership Morgan Hill Board of Directors. Members of the LMH Board are willing to work with you to make this program a reality for you.

Please Note: Full scholarships awarded only in rare cases or in cases where an employer or organization is funding a substantial portion of the applicant's tuition. LMH believes that every student, regardless of need, must have some form of fiscal responsibility or accountability.

Please submit the completed form to the recruiting committee by mail or email. Any questions regarding this form should be directed to the Recruitment Committee via recruiting@leadershipmorganhill.org
